

Henry Ford College – P-12 Relations

Secondary Articulation Agreement

Part A (To be completed by Secondary CTE Instructor and/or Administrator.)

District / High School / Career Center: Dearborn Public Schools

Secondary Program Title: Welding CIP Code: 48.0508

Name and Title of Secondary Contact: Shannon Peterson, Executive Director of Student Achievement

Mailing Address: 18700 Audette Dearborn MI
Street and Office Number City State & Zip

Office Phone: 313 827-3023 E-Mail: peterss@dearbornschools.org
Area Code Number

Part B (To be completed by HFC Instructor and/or Administrator.)

HFC Program Title: Welding CIP Code: 15.0614

Date of Agreement: March 25, 2019

Agreement Period: 3-years

*Expiration Date: March 25, 2022

*For the purposes of students enrolling and receiving articulated credit, this agreement remains effective for three (3) additional years after the expiration date. This will allow students who completed the secondary program during the agreement period to finalize the agreed upon requirements and receive articulated credit.

Purpose: The purpose of this agreement is to facilitate the transition of students from the above-named high school Career and Technical Education program to the aligned Career and Technical Education program at Henry Ford College (HFC). Academic credit is awarded for course requirements of the HFC certificate or degree program based on the completion of equivalent courses in the above named program at the recognized secondary institution.

General Terms and Conditions: An articulation agreement established with the College shall not exceed three years in duration. Students requesting articulated credit shall satisfy the conditions and requirements as stated in this agreement within three (3) years after their termination of student status at the secondary institution. Any request received after that period shall be subject to approval by the appropriate HFC instructor and associate dean. Credit will be awarded as specified under the "Program Specific Terms, Conditions, and Requirements" of this agreement. Students shall be responsible for initiating the process to receive articulated credit as specified by this agreement by submitting a completed "CTE Student Application for Articulated Credit" form. **NOTE: CREDITS MAY NOT TRANSFER TO A 4-YEAR INSTITUTIONAL PARTNER.**

Henry Ford College – P-12 Relations

Revisions: This agreement shall be reviewed annually by both parties or at such time that substantive program changes occur within the HFC or secondary program. Revisions may be in writing and agreed to by both parties before any modifications are made to this agreement.

Secondary Articulation Agreement Program Specific Terms, Conditions, and Requirements

Part A (To be completed by HFC Instructor and/or Administrator.)

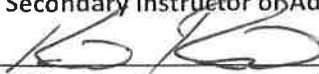

HFC Program Title: Welding CIP Code: 15.0614
 (The space below is used by HFC Instructors and/or Administrators to specify secondary articulation agreement terms, conditions, and requirements for the above program.)

1. Students must have a C or better average for each class and successfully complete the program at the Dearborn Public Schools.
2. Students must have a good attendance record for the programs at the Dearborn Public Schools.
3. Students from the Dearborn Public Schools must demonstrate competency at a satisfactory level for each course that we will give credit. A test will be given by our department to access if the student qualifies for credit for the four classes which we will offer credit. The test will be given by our department instructors before college credit is given. The candidate must get a score of 70% for each of the four sections that he/she will be tested on.
4. The articulation agreement is predicated only on the evaluation/review of Dearborn Public Schools curriculum by our Henry Ford College Energy Technology staff. (At this time we find it satisfactory, meets requirements.)
5. Paperwork for articulation must be initiated from Dearborn Public Schools for each transfer candidate. The paperwork must be signed by the administration and instructors of the center for proof, verification of student completion of the courses at Dearborn Public Schools. Completion certificates and transcripts must be included in the package.
6. Upon completion of the above, the Henry Ford College will give candidates college credit for the following one credit classes:

CIMWD-100: Weld Joint Design & Preparation (Safety/Joint Design)
 CIMWD-101: Weld Joint Design & Preparation (Welding Code, Weld Measurement & Hand Tools)
 CIMWD-102: Weld Joint Design & Preparation (Material Cutting, Grinding & Fabrication)
 CIMWD-110: Shielded Metal Arc Welding (Flat & Horizontal Welding)
 CIMWD-120: Gas Tungsten Arc Welding (Safety & Technology)
 CIMWD-130: Gas Metal Arc Welding (Flat & Horizontal)
 TOTAL: 6 credit hours
