**Bryant Middle School Launches Shoe Collection Drive  
to Support a Variety of School Enrichment Projects**

Shoe donations will also support micro-enterprises in developing nations and reduce what goes into landfills.

Bryant Middle School is conducting a shoe collection drive from October 3-December 20, 2016 to raise funds to support a variety of school enrichment projects. Bryant will earn money based on the number of shoes collected as Funds2Orgs will purchase all of the donated pairs. Those dollars will benefit projects selected by Bryant staff and students. Anyone can help by donating gently worn or new shoes.

All donated shoes will be redistributed throughout the Funds2Orgs network of microenterprise partners in developing nations. Funds2Orgs helps impoverished people start, maintain and grow businesses in countries such as Haiti, Honduras and other nations in Central America and Africa. Proceeds from the shoe sales are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send her son to law school.

By donating shoes to Bryant's Drive, the shoes will be given a second chance and make a difference in people's lives.

We would appreciate your support of our worthy cause. Our goal is 7,500 pairs of shoes.

To arrange a shoe pick up, please email [BryantPinkShirt@yahoo.com](mailto:BryantPinkShirt@yahoo.com) An additional contact for more information is Kevin Renko at [Renkok@dearbornschools.org](mailto:Renkok@dearbornschools.org)

Bryant Middle School sincerely hopes that you support us in our efforts!

## Northwestern University Midwest Academic Talent Search (NUMATS)

NUMATS is a research-validated, above-grade-level testing program that offers EXPLORE, ACT, and SAT to eligible students in grades 3 through 9.

Historically, Bryant M.S. has targeted 7th and 8th grade students who tested at a 90th percentile or higher, in math and/or reading, on the May 2016 NWEA test. However, any parent could request that their son or daughter can participate. Therefore, this year we are opening up to any interested 7th or 8th graders.

Although participation in NUMATS is voluntary, students like your child can benefit from:

- Information about their ability that grade-level tests do not provide
- Academic planning and resource options based on test scores
- Information about education programs for gifted students
- Experience and practice taking EXPLORE, ACT, and SAT, which are used to measure college and career readiness

I do have pamphlets that can be picked in my office starting on 10/18/16, however, I would encourage only the students who are serious in participating in the program to take one.

Additional information is also available on my blog at  
<http://iblog.dearbornschools.org/bryantcounseling/2016/10/17/northwestern-university-midwest-academic-talent-search-numats-2/>
