"A" DAY

TUTORING

Every Wednesday for the remainder of the year National Junior Honor Society students will be hosting tutoring sessions in my room from 3:00-3:45.

Please encourage students to use this resource if they feel they are struggling with any class or just need someone to study with. Last year a lot of students felt that if they came, they would be required to come every Wednesday and stay the whole time. That is not the case.

Students can come as little or often as they need and show up any time between 3:00 and 3:30.

Parent Meeting

Thursday, January 12th @ 2:15 p.m. Room 42

There will be a parent meeting to share ideas on how to help students become better readers. Attendees will be given strategies and other resources that can be used at home to promote healthy reading habits.

Remember that students who read at least 20 minutes per day will be exposed to 1,800,000 words per year. Students who read more, will be more successful in school. I hope that you will be able to join us. If you have any questions about the meeting or other topics that you would like to discuss, please contact Mrs. Elder or Mrs. Khalil at (313) 827-2900.

ATTENTION: Student Athletes

Students will NOT be able to participate on a middle school team and on a city or other league team in the same sport during the same season. Participation on two teams that have concurrent seasons may jeopardize high school eligibility.

To address another situation, if a student is playing on a school team in middle school but wants to participate in a tournament of some type (over a weekend, not a month long deal) that will be permissible and will not affect eligibility.

Northwestern University Midwest Academic Talent Search (NUMATS)

NUMATS is a research-validated, above-grade-level testing program that offers EXPLORE, ACT, and SAT to eligible students in grades 3 through 9.

Historically, Bryant M.S. has targeted 7th and 8th grade students who tested at a 90th percentile or higher, in math and/or reading, on the May 2016 NWEA test. However, any parent could request that their son or daughter can participate. Therefore, this year we are opening up to any interested 7th or 8th graders.

Although participation in NUMATS is voluntary, students like your child can benefit from:
Information about their ability that grade-level tests do not provide
Academic planning and resource options based on test scores
Information about education programs for gifted students
Experience and practice taking EXPLORE, ACT, and SAT, which are used to measure college and career readiness

I do have pamphlets that can be picked in my office starting on 10/18/16, however, I would encourage only the students who are serious in participating in the program to take one.

Additional information is also available on my blog at <http://iblog.dearbornschools.org/bryantcounseling/2016/10/17/northwestern-university-midwest-academic-talent-search-numats-2/>
