BRYANT NOTIFICATION CENTER**

Please remind your child to check the Bryant Notification Center located in the hallway between the main doors and office for items that have been dropped off. We post a large note with the student name and what the item is waiting to be picked up in the office.

They should remove the note and bring it to the office to retrieve the item. This includes, but is not limited to: lunch, homework, instruments, keys, money, backpacks, donuts, gym clothes, socks, shoes, swim gear, books etc. This is to reduce the interruptions in the classroom.

The office staff will not interrupt classes for forgotten items.

Mr. Renko and Mrs. Gass presented information about the Northwestern University Midwest Academic Talent Search (NUMATS) on Thursday, September 20. Bryant M.S. is targeting 7th and 8th grade students who tested at a 90th percentile or higher, in math and/or reading, on the May 2017 NWEA test. However, any parent can request that their son or daughter participate. Students who decide to participate in NUMATS will register online for the SAT or ACT. The registration process is completed by the student and their family at home. A handout containing information is available in the counseling office.

Additional information, such as, dates and registration fees can be found at:
