PRINCIPAL'S NOTES

First of all, I'd like to thank every parent who attended Parent/Teacher Conferences in November. We had over 80% of the Bryant parents participate. Thank you for taking time to meet with teachers and other staff members. Students who are supported by parents tend to be more successful in school. Stay involved with your child's middle school years by connecting with our school.

I recently was reading an article called "***Don't Let Your Electronic Devices Derail Your Middle Schooler's Studies***" from **Middle School Parents Still Make the Difference** (this article referenced work done by K. Kowalski's **When Smartphones Go to School**). In this article it stated the obvious fact that middle schoolers are permanently attached to their phones, tablets and other devices. It isn't a surprise that students often use their phones while they are working on homework or other school projects. But researchers are showing that the more time students say that they text or use social media, the lower their grades. Some practical strategies are given on how to help your child stay focused:

- 1) **Talk about multitasking** with your child and how research says that it doesn't work.
- 2) **Follow the rules regarding devices at school** (at Bryant they are supposed to stay in a student's locker).
- 3) **Limit the use of devices during homework time** because studies show that the more time students spend multitasking, the longer it takes to complete their work.
- 4) **Be a role model yourself**; put your phone away during family time and while you are driving.

I hope that each family enjoys the upcoming Holiday Season with your family.

Mr. Denison

Principal, Bryant Middle School

MEDICATION

Please note that students are not permitted to self-administer prescription or over the counter medications during school hours. If your physician has determined that medication has to be taken during the school day, a Medical Authorization Form, available in the office must be completely filled out and signed by both the physician and the parent. The form and medication must be submitted to the office. Your child must report to the office to receive their medication. This policy of the Dearborn Public Schools is in accordance with General School Law (Section 380.11780).

BICYCLE SECURITY

Students must lock up their bikes in the racks on the north side or south side of the school. It is recommended that bicycles be secured with a strong cable and lock.

TEXTBOOKS

Parents can help students avoid end of the year fines, which can amount to a great deal of money, for damaged and lost texts by doing the following:

1. Periodically go over each text book with your child to examine and check for damage. This also shows the child that you will be monitoring his /her progress carefully. It is recommended that books be covered.
2. Do make sure that your child's name is written in the place provided on the inside of the cover with the teacher's name. This will help us get lost books back to the student quickly.
3. Do remind your child not to lend their books to friends as he/she are responsible for the book that they have been assigned.

Pesticide Prior Notification Request

As part of the Dearborn Public Schools District's pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and building. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, please complete the information below and submit to:

ELECTRONIC EQUIPMENT

No electronic equipment is allowed in school. Examples are portable cameras, iPods, hand held games, and PDA's. These items are frequently lost or stolen and disrupt the educational process. School personnel will not be responsible for lost or stolen items.

If an electronic device is seen or heard, it will be confiscated and returned only to a parent on the following day. The second time an electronic device is confiscated will result in a detention and a parent/guardian retrieving the device on the following Monday. If a student is caught using an electronic in class, the device will be confiscated and returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

CELL PHONES

Dearborn Public Schools policy on cell phones is that they cannot be seen or heard. We discourage students from bringing them to school. If a phone is brought to school, it must be turned off and locked in the locker until 2:55 p.m. Students may not use their phones inside the school, or on the busses. Phones may only be used after school and outside of the building.

School personnel will not be responsible for lost or stolen phones. If a cell phone is seen or heard, it will be confiscated and returned only to a parent or guardian the following day. The second time a cell phone is confiscated will result in a parent/guardian picking up the cell phone on the following Monday. If a student is caught using a cell phone or if the cell phone rings in class, the cell phone will be confiscated, a detention will be assigned, and the phone will be returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

SCHOOL BUS INFORMATION

Eligible students should have received a postcard from our transportation department telling them where they should wait for their bus and the pick up time. Students should make a point to learn their bus number and their driver's face. This makes it much easier to find the bus at dismissal time.

Riding the school bus is a privilege. Students are expected to behave as young adults on all buses. Students who misbehave will face a range of consequences including loss of riding privileges. All questions regarding transportation should be addressed to the Transportation Department at 827-3300.

REPORTING ABSENCE/TARDY

Attendance Phone 827-2901

The voice mail is available 24 hours a day. Please call before 8:00 a.m. on the day the student will be absent or late. If we do not receive a call from a parent regarding the student absence, a call will be made to your home phone to notify you of the absence. If a student must leave school due to illness or an appointment, a parent or guardian will be required to show a driver's license to sign them out. No child will be released to anyone not appearing on the Emergency card without administrative approval. If the student returns to school during the day, he/she must report to the office to sign in and get a pass back to class. Homework can be requested if a student is absent three consecutive days.

PARENTS / GUARDIANS BRYANT NOTIFICATION CENTER

Please remind your child to check the Bryant Notification Center located in the hallway between the main doors and office for items that have been dropped off. We post a large note with the student name on the board. They should remove the note and bring it to the office to retrieve the item. This includes, but is not limited to: lunch, homework, instruments, keys, money, backpacks, donuts, gym clothes, socks, shoes, swim gear, books etc. This is to reduce the interruptions in the classroom. The office staff will not interrupt the classrooms for forgotten/dropped off items.

8TH GRADE PARENTS

Research has shown that the 8th grade year is critical to success in high school. Please discuss with your child the importance of being on task and focused at school. We expect the 8th graders to be role models for the younger students.

As you are aware, your son/daughter will enter high school and be required to meet the new State of Michigan graduation requirements. The curriculum leading to graduation is much more precise and demanding than past ones. Part of that curriculum allows boards of education the ability to give high school graduation credit for courses taken in the middle school. Taking high school credit at the middle school level can provide students greater opportunity for electives at the high school level.

The Dearborn Board of Education offers students the opportunity to earn high school credit for math and Spanish while in 8th grade. These classes are based upon the High School Content Expectations and should mirror high school rigor.

Students passing these classes will receive a credit toward high school graduation. The class will appear on the student's high school transcript.
