PRINCIPAL'S NOTES

Second semester is under way and we are approaching the midpoint of the third marking period. Teachers will be completing the third marking period progress reports which will be sent home with students early in March. Spring Parent/Teacher Conferences will be held on Thursday, April 11th from 3:30 - 6:30 p.m. I hope that many of you are planning to visit Bryant for conferences.

If you would like to see improved results in your child's reading scores, please make sure that your child is reading for at least 20 minutes every day. Additionally, you may want to have your child keep a daily journal. Journal writing can strengthen writing skills and improve communication. Additional math support can be found at Khan Academy or Moby Max. If you need assistance with your child's username and password information, please contact your child's teacher or the school office.

The PBIS Committee continues to work to provide opportunities to celebrate with students who make positive behavior choices during the month. Please be reminded that these celebrations are for students who exhibit appropriate behaviors during school. Any student who earns a Major Infraction violation for that month (Multiple Detentions, Suspension from School, Assigned to Respect and Responsibility class, etc.) will not be able to attend the monthly reward activity. Rewarding and/or acknowledging students who are being respectful, being responsible and being safe are the pillars of the PBIS philosophy.

Students with Major Infraction for the month should not be included in the school-wide celebrations. Please contact me with any questions.

As we enter into the final few months of the school year, encourage your child to finish strong and give their very best effort (academically, behaviorally, socially, etc.) at school every day. Feel free to contact me at (313) 827-2900 if you have any questions.

Mr. Denison

Principal, Bryant Middle School

Traffic Safety

Over the past several weeks, a number of traffic incidents need to be addressed and resolved. Parents are parking illegally, talking on cell phones, blocking traffic and driveways, darting around parked cars, speeding and picking up/dropping off students in the middle of the street. Please help eliminate these traffic problems in an effort to keep our students safe. Thank you to Officer Hansen for providing additional support during the morning drop off times on the southside of the building.

To help alleviate traffic congestion and make the traffic conditions safer for our students please:

- ***Obey the street signs for parking and speed limits.***
- ***Refrain from making cell phone calls when driving a motor vehicle.***
- ***Never make a U-turn in the streets around the school.***
- ***Do not call or signal your child to enter the street.***
- ***Never stop your car in the middle of the street and block traffic to let your child out of your car.***
- ***Do not block crosswalks with your car. Keep clear of the white lines at the street corners.***
- ***At intersections, keep your car stopped completely when children are crossing in any direction.***
- ***Always have your child exit and enter the car on the curbside of the street.***
- ***Never drop off or pick up your child in areas that are designated for bus usage.***

The Dearborn Police Department has been contacted, will step up patrols and monitor traffic patterns around the school. They can and will issue citations to motorist who fail to adhere to traffic laws and are creating an unsafe environment for students, staff members and other motorist. Please be aware that many of these citations include a very sizeable fine.

Those parents who practice responsible driving habits need to be recognized and thanked for setting a good example. If each adult driver would follow the District Core Values: honesty, respect, integrity, responsibility, citizenship and courtesy, the traffic problems and safety concerns around Bryant would disappear.

MEDICATION

Please note that students are not permitted to self-administer prescription or over the counter medications during school hours. If your physician has determined that medication has to be taken during the school day, a Medical Authorization Form, available in the office must be completely filled out and signed by both the physician and the parent. The form and medication must be submitted to the office. Your child must report to the office to receive their medication. This policy of the Dearborn Public Schools is in accordance with General School Law (Section 380.11780).

BICYCLE SECURITY

Students must lock up their bikes in the racks on the north side or south side of the school. It is recommended that bicycles be secured with a strong cable and lock.

TEXTBOOKS

Parents can help students avoid end of the year fines, which can amount to a great deal of money, for damaged and lost texts by doing the following:

1. Periodically go over each text book with your child to examine and check for damage. This also shows the child that you will be monitoring his /her progress carefully. It is recommended that books be covered.
2. Do make sure that your child's name is written in the place provided on the inside of the cover with the teacher's name. This will help us get lost books back to the student quickly.
3. Do remind your child not to lend their books to friends as he/she are responsible for the book that they have been assigned.

Pesticide Prior Notification Request

As part of the Dearborn Public Schools District's pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and building. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. ELECTRONIC EQUIPMENT

No electronic equipment is allowed in school. Examples are portable cameras, iPods, hand held games, and PDA's. These items are frequently lost or stolen and disrupt the educational process. School personnel will not be responsible for lost or stolen items.

If an electronic device is seen or heard, it will be confiscated and returned only to a parent on the following day. The second time an electronic device is confiscated will result in a detention and a parent/guardian retrieving the device on the following Monday. If a student is caught using an electronic in class, the device will be confiscated and returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

Dearborn Public Schools policy on cell phones is that they cannot be seen or heard. We discourage students from bringing them to school. If a phone is brought to school, it must be turned off and locked in the locker until 2:55 p.m. Students may not use their phones inside the school, or on the busses. Phones may only be used after school and outside of the building.

CELL PHONES

School personnel will not be responsible for lost or stolen phones. If a cell phone is seen or heard, it will be confiscated and returned only to a parent or guardian the following day. The second time a cell phone is confiscated will result in a parent/guardian picking up the cell phone on the following Monday. If a student is caught using a cell phone or if the cell phone rings in class, the cell phone will be confiscated, a detention will be assigned, and the phone will be returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

PARENT CONNECT

Please take advantage of this exciting service. Parent Connect allows parents to view their student's grades in real time through the web. SCHOOL BUS INFORMATION

Eligible students should have received a postcard from our transportation department telling them where they should wait for their bus and the pick up time. Students should make a point to learn their bus number and their driver's face. This makes it much easier to find the bus at dismissal time.

Riding the school bus is a privilege. Students are expected to behave as young adults on all buses. Students who misbehave will face a range of consequences including loss of riding privileges. All questions regarding transportation should be addressed to the Transportation Department at 827-3300.

REPORTING ABSENCE/TARDY

Attendance Phone 827-2901

The voice mail is available 24 hours a day. Please call before 8:00 a.m. on the day the student will be absent or late. If we do not receive a call from a parent regarding the student absence, a call will be made to your home phone to notify you of the absence. If a student must leave school due to illness or an appointment, a parent or guardian will be required to show a driver's license to sign them out. No child will be released to anyone not appearing on the Emergency card without administrative approval. If the student returns to school during the day, he/she must report to the office to sign in and get a pass back to class. Homework can be requested if a student is absent three consecutive days.

PARENTS / GUARDIANS BRYANT NOTIFICATION CENTER

Please remind your child to check the Bryant Notification Center located in the hallway between the main doors and office for items that have been dropped off. We post a large note with the student name on the board. They should remove the note and bring it to the office to retrieve the item. This includes, but is not limited to: lunch, homework, instruments, keys, money, backpacks, donuts, gym clothes, socks, shoes, swim gear, books etc. This is to reduce the interruptions in the classroom. The office staff will not interrupt the classrooms for forgotten/dropped off items.

8TH GRADE PARENTS

Research has shown that the 8th grade year is critical to success in high school. Please discuss with your child the importance of being on task and focused at school. We expect the 8th graders to be role models for the younger students.

As you are aware, your son/daughter will enter high school and be required to meet the new State of Michigan graduation requirements. The curriculum leading to graduation is much more precise and demanding than past ones. Part of that curriculum allows boards of education the ability to give high school graduation credit for courses taken in the middle school. Taking high school credit at the middle school level can provide students greater opportunity for electives at the high school level.

The Dearborn Board of Education offers students the opportunity to earn high school credit for math and Spanish while in 8th grade. These classes are based upon the High School Content Expectations and should mirror high school rigor.

Students passing these classes will receive a credit toward high school graduation. The class will appear on the student's high school transcript.
