Annual Empty Bowls event helps those in need

The Dearborn Public Schools Art department is hosting its 28th annual Empty Bowls meal on Monday, November 25, from 4-6:30 p.m. at Park Place Banquet Hall, 23400 Park Street, Dearborn.

For a minimum suggested \$5 donation, guests who attend this family-friendly dinner may select a one-of-a-kind handmade bowl and enjoy a serving of tasty soup and bread. The bowls are made by students in kindergarten through high school who attend Dearborn Public Schools.

Donations will support Gleaners Food Bank and Blessings in a Backpack, local charities that help feed the hungry. Guests can take their bowls home as a reminder of all those who go hungry each day.

“This community service learning project is a win-win-win. Empty Bowls allows art teachers and their students to create bowls to raise money. It involves the community, which donates items and attends the event, and it provides more than \$3,000 each year to local charities to help those in need. The Art Department is very proud of the continued success of Empty Bowls,” said Susan Briggs, the District’s Art Resource Teacher.

A variety of soups will be available, including vegetarian and gluten free options, at this simple meal of soup and bread to fight hunger. A tin can raffle will also be held.

No reservations are required, but those who arrive early will see all of the unique bowls made and donated by students and teachers in the Dearborn Public Schools.

The annual Empty Bowls event is hosted by the Dearborn Public Schools Art Department and Park Place Banquets & Catering. Empty Bowls events are held around the world as part of a grassroots movement by artists and craftspeople to care for and feed the hungry in communities.

The S.A.T. is an entrance exam used by most colleges and universities to make admissions decisions.

Northwestern University's Midwest Academic Talent Search (NUMATS) is a research-validated, above-grade-level testing program that offers EXPLORE, ACT, and SAT to eligible students.

Although participation in NUMATS is voluntary, students like your child can benefit from:

- Information about their ability that grade-level tests do not provide
- Academic planning and resource options based on test scores
 - Information about education programs for gifted students
- Experience and practice taking EXPLORE, ACT, and SAT, which are used to measure college and career readiness

All information is available on the Counseling Department's blog.

<https://iblog.dearbornschools.org/bryantcounseling/>

I also suggest that you visit the NUMATS website at www.ctd.northwestern.edu/numats. This website contains all the information needed to make an informed decision, including the fees and registration deadlines.

The registration process is completed at home.

The online registration process will request Bryant Middle School's NUMAT School i.d. number. The number is: **8200517**

Students are welcome to approach me with any questions they may have or I can be emailed at Renkok@dearbornschools.org.

Dear Families,

The Box Tops for Education program is changing the way we can earn cash for our school!

Over the summer, participating brands have begun to change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...
CLIP IT

SEE THIS...
SCAN
YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team has worked hard to build a NEW-and-improved, user-friendly Box Tops mobile app, available now.

The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

**BE SURE TO DOWNLOAD THE NEW APP
OR UPDATE YOUR EXISTING APP:**

If you still have traditional Box Tops clips at home, make sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, you can "double dip" during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!

Dear Parents/Teachers:

I hope everyone had a relaxing summer vacation and is excited to return to school. We have been working hard over the summer to add some new items to each campus and wanted to share some of the changes with everyone. We are pleased to announce that SFE (Southwest Foodservice Excellence) became the new food service management partner at Dearborn Schools on July 1, 2019. As a result of this partnership, we are pleased to announce the following changes:

- **All meat served district-wide will be certified halal. More information is available on the foodservice website.**
- All meals district-wide will continue to be free.
- We pledge a focus on fresh-from-scratch cooking and menu variety.
- Fresh fruit and vegetable salad bars will be available daily at lunch. While this will be free for students who purchase a meal, salad bar access also will be available as an a la carte option.
- Full nutritional information is posted for all menu items on the Dearborn Schools website.
- The Roving Chef program is available. This fun and interactive culinary program will provide principal-selected students with special instruction in nutrition, proper food safety/cooking techniques and healthy meal preparation—all while working alongside a real chef.
- A variety of entrées will be offered daily to appeal to student tastes and preferences, with on-trend culinary concepts that including recipes from a variety of cuisines.
- A selection of 3 entrée choices will be offered daily for Elementary students, consisting of the menu items listed above. Middle Schools will have 4-6 options and High School students will be offered 6-8 options daily.
- A dedicated team of professionals including chefs and nutrition coordinators will be in Dearborn daily working with staff and students.

Along the way, we plan to request frequent feedback from our students through regular taste tests and panels. That's because we are dedicated to creating custom menus and programs that get every student excited to eat at school, knowing they will find nutritious foods that they love. Above all, like you, we want to be sure that they are happy, healthy and well-nourished to learn.

We welcome feedback from you, as well! If you have any questions or concerns, please feel free to contact me: joshua.bain@sfellc.org

Sincerely,

Josh Bain

Sr. General Manager of Nutrition Services

Bryant Middle School Traffic Issues

To those who do not know me, I am Corporal Chad Hanson and I am a School Resource Officer with the Dearborn Police Department, assigned to Bryant Middle School. I receive many complaints each year about the traffic congestion during the morning arrival and afternoon dismissal periods. I would like to make the following suggestions that I believe will help alleviate many of the reported issues:

- Remain off your cell phone while dropping off/pick-up your child
- Do not text and drive
- Do not park in the vicinity of the Coburn & Vernon intersection or in the bus drop off area
- Do not block any crosswalks/driveways
- Do not park in any private, residential driveway
- Do not park more than 12" from the curb
- Do not park within 15' of an intersection/fire hydrant
- Do not park within 30' of a stop sign
- Do not take more than 30 seconds to drop-off your child
- Do not stop in the roadway and your child to exit your vehicle into oncoming traffic
- Be courteous to all drivers
- Do not drop off your student, facing oncoming traffic (driver side wheels to curb).
- Do not do U-Turns (including pulling into residential driveways) during peak drop-off/pick-up times

If everyone does these things, I believe we will be on our way to creating a safe and efficient pick-up and drop-off environment, free of complaints. It will take the participation and effort of everyone to accomplish this goal.

I have attached a traffic flow pattern that will also assist in increasing safety, reduce congestion and allow for better traffic flow during drop-off and pick-up times. Please take a moment and review the attached traffic flow map and notice the preferred route, which is highlighted in yellow.

I appreciate your continued support and cooperation in this matter and hope we can work together to continually improve the safety of everyone in the Bryant School Community.

Cpt. Chad Hanson
Dearborn Police Department
School Resource Officer

Morning and afternoon traffic in and around Bryant can be very busy. We have a separate lane for bus use. The bus lane on Rex Street is dedicated for busses ONLY during the morning drop-off and afternoon pick-up times to allow busses to safely load and unload students. Please do not enter the bus lane between 7:30am-8:15am or 2:30pm-3:30pm. Thank you in advance for your support!
