Dear Fatima,

We were honored to have you as a Michigan Youth for Service Poster Contest winner. We look forward to using your design to inspire others and promote volunteerism in Michigan.

We are grateful you and your family were able to join us in the celebration with Governor Rick Snyder. We wanted to give you this signed photo as a memento of the special moment.

You are now part of our service family and we look forward to staying connected with you.

Sincerely,

Ginna Holmes

It was wonderful to have you as our guest in Lansing. We appreciate your Heart of Service!
