## INTRODUCTION TO THE NEWSPAPER

Hello, Thunderbirds! We at The Bolt news would like to take a moment to introduce

ourselves. The staff includes: Grace Malone, Kate Przywara, Ryan Burpee, Hoa Ho, Lola Quintana and Mr. Pletzke. It has been a few years since Edsel Ford has had a newspaper, and we are very excited to bring it back. If you are interested in joining, we meet Tuesdays after school in room F-9. We strive to bring the student body information focused on what's going on at Edsel Ford. We look forward to a great year, and we hope you enjoy our paper!

## Winter Horoscopes

**Sagittarius**  
(November 22-  
December 21):

Let your party mood increase and have some fun! This winter season will be filled with social indulgences and you shouldn't let your past get in the way of present day.

**Capricorn**  
(December 22-  
January 19):

This season will be about self love, you are always caring for others and forgetting about yourself. A little bit of "me time" never hurt anyone ;). You may also encounter a tragedy but you will conquer it with grace.

**Aquarius**  
(January 20-  
February 18):

Don't let unsolved problems ruin your holiday fun, forgive and forget. An unexpected gesture or comment also may be among its arrival.

# NEW YEAR'S RESOLUTIONS

From being a better student, to doing chores, to exercising more, people around the world come up with New Year's Resolutions every January. Resolutions originated some 4,000 years ago in ancient Babylonia. The Babylonians would have a 12 day religious festival celebrating their king and making promises to their gods for the New Year. Although the Babylonian's New Year took place in March, the Romans re-established it for January first.

Some students at Edsel even came up with some of their own resolutions:

**Thu Doan (9th Grade)-**

"To not fail finals."

**Moe Gooba (11th Grade)-**

"To come up with a new years resolution."
