## NEW HYBRID SCHEDULE

**BY: Reyam Kuba**

*The new hybrid schedule is slowly approaching-and nobody's happy about it. This new hybrid schedule is going to effect on March 1st. With this new schedule, the students who have chosen to return back to school will go back. Whereas everyone else who has chosen to stay home, will get to stay home. This isn't where the problem comes in though. When we were asked to stay home or go back to school, the cases weren't as bad as they are now. So a lot of students have now changed their mind in whether they want to go back or not. That isn't all. The students that will be going back will definitely have a different experience than what they expected. Students will be designated a sole classroom to avoid walking class to class. Students will also be required to bring their own laptops to also avoid any contact with any papers or books. Lunch will be eaten in the same classroom and with a mask on. There will also be no bathroom breaks. If there is an emergency, security will be called to open the bathrooms since they are all locked. The students will also be on zoom to accommodate the students at home. All in all this schedule is unnecessary. In my opinion, I feel this new schedule will be more of a headache then what we have now.*

# YEARBOOK DEADLINE

*The time to buy yearbooks are shortly coming to an end. The time to buy them ends on February 19th. After that, they will not be available. This years yearbook is one for the books for sure so make sure to check them out before then.*

## PIE-IN-THE-FACE FUNDRAISER

The Student Council Class of 2022 is trying to do a virtual Pie-in-the-face fundraiser on March 26th. For those unfamiliar, a teacher would record themselves getting pied in the face if students reach a fundraising goal. Though this is normally done in person, we thought that recording it would allow for greater participation across all grade levels from teachers and students. We will have a goal of \$500 and if we reach that goal, the teachers that volunteer to participate will be provided the supplies and record themselves getting pied in the face.

## STUDENTS GOING BACK TO SCHOOL?

The school board and the governor decided that schools can open up, Dearborn Public Schools is excited to announce the district has met the COVID measurements set by the Board of Education and will start phasing students and staff back to in building learning. depending on what grade you're in there is a different date that each grade goes back. March 1 are the kindergartens, first, second, sixth, and ninth grade. March 8 third, fourth, fifth, and seventh graders. March 15 8th, 1st and 12th graders. Each grade goes back to school on a different day, students will be in school two days a week. The days students are going to be in school are going to be either Monday, Thursday, or Friday. Although Wednesdays will be live online classes for all students, Dearborn Public Schools were able to arrange COVID vaccinations for all the remaining staff who want them on Thursday and Friday of this week. Parents can look for information soon from their child's school about which days their students will attend and other details, also students have the option to choose if they want to continue online learning or go physically back to school. Parents should have received an email to fill out about whether their child is continuing online or going back which the deadline to that form is Friday, February 18 2021
