

Howard Elementary

1611 N. York
Dearborn, MI 48128

June 13, 2019

Dear Howard Families,

In line with our continued efforts to maintain high levels of transparency, we feel it is necessary to inform you of an incident that occurred today during a school field trip.

A Howard student made a verbal threat during the field trip regarding bringing a weapon to school.

Our students immediately reported the incident to their teachers who then notified the school administration. The school administration has notified all of the necessary departments, our School Resource Officer and an investigation according to District Protocol will be conducted. The appropriate disciplinary action will also been taken. At no time today was there any immediate danger to our students or staff. The procedures that we have in place have allowed us to address the situation in a swift and efficient manner.

We appreciate your willingness to continually trust us with the safety of your children. We will always make every effort to ensure they are in a safe and nurturing environment while at school.

If you have any questions or concerns, please feel free to contact the office at (313) 827-6350.

Thank You,

Mrs. Lazar
