

**LETTER OF UNDERSTANDING  
BETWEEN DEARBORN BOARD  
AND  
ASSOCIATION OF DEARBORN SCHOOLS ADMINISTRATORS'**

**Boundary Line Exemption  
2024-2025**

**EMPLOYEE SCHOOL OF CHOICE**

All unit members who are Dearborn residents are eligible to apply for a "Boundary Line Exemption" to allow their children or grandchildren to attend the school closest to the school at which they work of their choice.

All unit members that are not Dearborn residents are eligible to apply for "Non-Resident School of Choice" to allow their children or grandchildren to attend Dearborn Schools. They will be offered a choice based on school populations and the building closest to the school where they work.

Student Placement: Final approval of student school placement is determined by the Director of Student Services, based on factors including, but not limited to, projected student enrollment. The Director of Student Services's determination of available space is final.

- ☐ "Non-Resident School of Choice" is the equivalent of granting approval to District-of-Choice since Dearborn Public Schools is a closed boundary district.

The remaining evaluation language will be included in future bargaining agreements.
