403b and 457 Tax Deferred Savings Plan Providers (January 2025)

All employees of DPS have the opportunity to save for retirement by participating in one or both tax deferred savings plans. Contracts with the companies listed below are the personal responsibility of the employee. No deductions will be made without authorization from DPS's third party administrator, The OMNI Group, 877.544.6664, www.omni403b.com.

Contributions of up to \$23,500.00 for employees under 50 are allowed in 2025; this amount is subject to change annually. If you have at least 15 years of service with DPS or are at least 50 years old, you may also be able to make additional catch-up contributions. For appropriate limits for your particular circumstances, contact OMNI's Customer Care Center at 877.544.6664.

Salary Reduction Agreements (SRA's) to initiate or make changes in amounts to be deducted must be submitted to OMNI who will verify account status and communicate deduction information to the DPS Payroll Office. SRA forms and other plan details are available on OMNI's page for Dearborn Public Schools at <https://omni403b.com/PlanDetail.aspx?clientID=V5RKh9rk08U=>.
