

Suggested School Supplies for Maples School year 2017-2018

Maples School Teachers have prepared the following school supply list to help you make grade level appropriate choices while shopping for supplies. Even though the school will continue to provide some of the supplies for your children, we chose to send you this list so you can get what your children may need while items are on sale in July and August. Please save this list on your fridge for later use. This list will also be available on Maples blog and the web page. We appreciate your contributions.
