

Maples is starting its own FIRST  
LEGO League. ROBOTICS TEAM, and  
we would like your student to be a  
part of this experience.

To be on the Robotics Team students will need:

- To be a team player and cooperative
  - Be responsible and respectful
  - Come to every meeting (1x a week)
- Willing to learn important science skills (problem solve, investigate, research, make observations)
- Must attend the Robotics Competition (will be on a Saturday in December)

*If you would like your son/daughter to join, please fill out  
the form provided and return it to the classroom  
teacher.*

You can contact Mrs. Poulos if you have more questions:

poulose@dearbornschools.org or 313.827.6450

How will your child be going home after meetings? (no buses provided)

\_\_\_\_\_

Is there anything we NEED to know about your child?

\_\_\_\_\_

Please check ALL boxes:

- My son/daughter will attend all after school meetings unless absence has been discussed with Mrs. Poulos
- My son/daughter will attend the Robotics Competition.
- I will be on time to pick up my son/daughter from all meetings.

Please indicate how you can help the team.

- I can help fundraise for the team.
- I can provide transportation to and from competitions if it is needed.
- I am an engineer or have a computer programming background.
- I can help during after school meetings if need be.
