

Instrumental Music -

This year, instrumental music will be available for students in the fifth grade. Instrumental classes will be held once a week for 45 minutes a session. Instruments will be available to rent from the school for a fee of \$70.00 per year non-refundable. Reeds will be available for purchase from the instrumental teacher and rosin and valve oil will be available in the classroom. Checks should be made out to the school.

Instead of using a school instrument for \$70.00 a year, parents may also provide an instrument for their child through a private purchase, rental or lease.

Please fill out the attached form and return to your school as soon as possible!
