

Dear Families,

Your child is taking part in a STEM presentation and book talk from author Gary Abud, Jr. about his new book *Science With Scarlett: What Color Will It Be?* during a visit to **Maples Elementary on 12/16/19!**

The book teaches the science behind how our eyes see color. Gary is an award-winning Michigan educator as well as a double cornea transplant recipient. 15% of the proceeds from his book are donated to Eversight, a non-profit working to restore sight and prevent blindness through the healing power of donation, transplantation and research. To learn more about the project, please visit: ScienceWithScarlett.com

As part of this author visit, you have the opportunity to order a personalized, autographed copy of *Science With Scarlett*, to be delivered to your child at your school.

Orders can be placed online at ScienceWithScarlett.square.site or by simply scanning the QR Code below to order your signed copy.

*****Please note when ordering online, in the shipping address field, please enter the address of your school, not your billing address*****

Orders must be placed by Friday December 13th to ensure your copy. Books will be delivered to your school on the day of the assembly.

Thank You!
~Scarlett :0)

All major forms of payment accepted

"A new children's book by award-winning educator Gary Abud, Jr."
