Coffee
with the
Counselor

What it's all about

As we all know, parent communication is key to the success of all students. The voice of the parents at Salina Intermediate, over the years, has shown an importance of having more than one or two ways to stay connected to the school. Coffee with the Counselor was developed so that we have another opportunity to sit together, as a school and community to discuss any concerns or topics you may have.

This year it will happen once, but all the years to follow, Coffee with the Counselor will take place sometime in the beginning of the year and the second one will be during the second semester. These meetings will last about an hour. Again, this is another opportunity to come together and make conversations and we welcome all our families.

Welcome Back

A letter from the Principal

Dear Parent/Guardian,

* Thank you to all the parents who attended our last Parent Principal Forum meeting on Sept. 26. We had a great turnout. We discussed the following topics:

1. M-Step Reports
2. Middle School Schedule and Updates
3. "1 or More E's Reports"
4. "2 or More E's Plan"
5. PBIS, Bullying, Rules
6. Other(s)
7. Q and A

* Parent communication is

key! We stressed the importance of parents contacting teachers if they have a question or concern. Checking teacher iblog sites and going on to Parent Connect is important as well. As of now, all teachers have called home if a child was failing his/her class.

* Your child's M-Step report was mailed home. Directions were also sent in Arabic and English on "how to read your child's score report."

* We also discussed the im-
portance of reminding students to use the crosswalks at dismissal.

* Last, we talked about Summer

School. Any student that has 2 or more E's at the end of the school year will have to go to a Mandatory Summer School program.

If you have any questions about any of these topics, please stop by the school and talk to one of our staff.

Sincerely, Mr. Lawera

Please call the
office to report
an absence.
