Jan. 21: no school. MLK day

Jan. 28 5th grade workshop

Jan. 30 Religious Diversity Journey

A letter from the Principal

Dear Parents,

Winter NWEA testing will begin in January. Middle School students will start the Reading assessment on January 8. Students will take the Math NWEA test the second week, the Language Usage NWEA test on the third week and the Science NWEA test during the fourth week. Please encourage your child to continue reading and taking the practice on-line tests. i.e., <https://iblog.dearbornschools.org/nweapractice/>. Your child can also check their teacher's iblog sites for more recommendations on how to prepare themselves

for the NWEA Assessment. i.e., IXL, Khan Academy, etc.

Elementary students will also begin NWEA testing in January. Your child will have the testing information written in their planners.

End of the 2nd Card Marking; January 18th, 2019. Please make sure your child completes all his/her assignments over the Winter Break.

Have a wonderful break and a Happy New Year!

Project Playworks:

Communities in Schools and Playworks are in partnership to promote healthy play into our school. Playworks will be at our school on December 5. Consultant Jamie Chester will join the students during recess to promote healthy play.

Playworks's mission is to improve the health and well-being of children by increasing opportunities for physical activity and safe, meaningful play. Playworks is the leading national nonprofit leveraging the power of play to transform children's social and emotional health."

Our Noon-hour ladies were trained by a Playworks consultant to be able to utilize the techniques to implement during our recess time.

Salina 100 year Anniversary!

Salina School celebrated its 100 year anniversary on October 26. The common theme heard over and over again was how special it is to be a wildcat. Alumni from over the years can be heard sharing their fond memories while roaming the hallways and recalling their time spent at Salina. There were many speakers at the event including, Superintendent, Dr. Glenn Maleyko, Salina Intermediate principal, Jamal Lawera, Dearborn Councilwoman, Susan Dabaja, Ishmael Ahmed as

well as former student and attorney Anthony Guerriero .

Each speaker had a common thread woven in their speeches and that was the difference the teachers and the school made in their lives. "The heart of the celebration, though, was in the auditorium, where speakers from different generations talked about how Salina changed them and gave them a start in life that allowed them to

transform from the children of poor immigrants to successful champions of the American dream (Sue Suchyta The Press & Guide Oct 31, 2018)."

Counselors corners

Now that we have entered into report card marking 2, it is very important to monitor grades on Parent Connect. Some things to look for will be missing assignments, low scores, etc. We encourage you all to email teachers immediately for any questions or concerns. January 15th, 2019 will be the end of report card marking 2. Make sure that you see your child studying for at

least an hour daily. Many of the classroom teachers give exams on a Friday, so that means you should see your child preparing for the test Wednesday and Thursday, for example. If you need any support and more information feel free to contact the school. Our mission is the success of all the students at Salina Intermediate.

Battle for Hunger

Thank you to our generous students for donating \$873.23 and collected 807 cans of food! The classes that raised the most money and cans were

Elementary: Mrs. Ram-mouni's Class with \$93.87 and 109 cans of food!

Middle School: Mr. Kurdi's Class with \$90 and 94 cans of food!

Great job Wildcats!

HAPPY NEW
2019
YEAR

Over the break please dedicate 20 minutes a day to reading, writing and math. Then when they return in January, students are primed and ready to succeed in 2019!

Salina Techcats Recognized!

The techcats competed in an FTC robotics qualifier on December 8. This years challenge called Rover Ruckus, challenged the teams to create a robot that could land and lift. The team took home two awards, the innovate award and connect award. Bravo TechCats!

A Christmas Carol

Once again, many thanks go to Paul Bruce for helping to secure a private showing of A Christmas Carol performance on Thursday, November 29th. Students that qualified for PBIS were invited to an evening performance at the Catherine A. Daly Theater On The Avenue in Wyandotte.

TIPS FOR PARENTS

Middle school is a time of change, and most students go through several stages and lots of ups and downs. The tips below will help you guide and advise your middle school student.

- ❖ At the beginning of each grading period, sit down with your child and together set realistic academic goals for each class.
- ❖ Encourage your child to get involved in school activities. Show your support by attending performances and games.
- ❖ Make sure your child knows that you expect him/her to be in school, on time, every day.
- ❖ Attend all open houses and parent conferences. Also, regularly check your school's website for information and updates.
- ❖ Write down the dates that progress reports and report cards come out. Expect your child to bring them home. If you don't see one, call the school and request a copy.
- ❖ One of the biggest challenges for middle school students is being organized. Make sure that your child has a system for recording assignments, taking notes, and keeping his/her backpack organized.
- ❖ Realize that it is your child's responsibility to get homework done, to prepare for tests, and to follow the rules.
- ❖ Work together with the school. Teachers, counselors, and principals are there to help your child get the best education possible.
- ❖ Make sure that your child is not spending too much time on the phone, on the Internet, watching TV, or playing video games. Set limits.
- ❖ Look for opportunities to praise good grades and extra effort.
- ❖ Talk to your child about what's happening in school and be a good listener. If your son or daughter says something about school that concerns you, remember that what you are hearing is from your child's perspective. If you have a question or concern contact the school by phone or e-mail.

Extended Learning Opportunities at Edsel Ford High School

During the Day

During T-Time on Tuesdays and Thursdays between 10:15-10:41 students may receive re-teach and re-take opportunities.

Also, as the SAT test approaches, 11th graders will be using these days to practice on Khan Academy's individualized SAT Prep plan during T-Time.

After School/Extended Day

Tutoring in all Subjects in the Media Center

Tuesdays and Thursdays from 2:30-3:30

SAT Strategies & Skills Camp Starting on October 23, 2018

Math-Wed. and Friday from 2:30-4:15

Language Arts-Tues. and Thurs. from 2:30-4:15

On the Weekend

Saturday Practice SAT Options

Nov. 17, 2018	Jan. 19, 2019	Feb. 23, 2019	Mar. 23, 2019
Khan Practice SAT on Computers	Khan Practice SAT on Computers or SAT Strategies & Skills Camp	Practice SAT with Paper/Pencil or SAT Strategies & Skills Camp	Practice SAT with Paper/Pencil or SAT Strategies & Skills Camp

Edsel Students will be College and Career Ready!

That means our scores meet both the Math and the Evidence-Based Reading and Writing benchmarks by 11th Grade.

Benchmarks by Grade Level

Evidence-Based Reading and Writing	PSAT 8th	PSAT 9th	PSAT 10th	SAT 11th
Math	390	410	430	480
Math	430	450	480	530
Composite	820	860	910	1010

On Your Own

Research data shows 20 hours of Khan Academy practice is associated with an average 115 point score increase from the PSAT to the SAT, nearly double the average gain.

Log into your Khan account anytime, on any device and practice: www.khanacademy.org
