## PTSA Reflection Winners:

Congratulations to the following students:  
Naiba Virk in 3rd place for Literature  
Khloud Abdullah in Honorary for Literature  
Reham Alsurami in Honorary for Art

## Blankets for CPS

Thank you STAND students for making and donating blankets for CPS.

## The Good Character Tree

The Character Tree is a visual representation of the characteristics and qualities we hope to embody as citizens of our school, community and world. Students with good character make choices that are honest, respectful, fair, caring and responsible. Students who continually demonstrate positive traits and behaviors will get their name on our tree!

## Spelling Bee Winner: Hiba Awad

Congratulations Hiba! She was Salina Intermediate's 2020 Spelling Bee Champion. Hiba will compete in the Scripps National Spelling Bee Regional which takes place on March 28th, 2020.

## Healthy Habits to Help Prevent the Spread of Respiratory Illnesses:

- Always thoroughly wash hands for at least 20 seconds.
- When soap and water is not available, use hand sanitizer to wash hands.
- Cover nose and mouth with a tissue or cloth when sneezing and/or coughing.
- Stay home when you are sick.

## Beauty is a Beast:

Salina Intermediate Drama Club's first ever production directed by Mrs. Brown.

## Invention Convention: -Iman Tawil

Have you heard of Invention Convention? This is the first year Salina is participating in the competition. Invention Convention is a competition where students from elementary until high school compete on whose invention is better. The people who are in this competition have to make an invention that solves a problem in the world. In this competition there can be groups. There is a limit on the groups. There can only be 4 people at most per group. Their invention must be a new invention. The people participating have to make a trifold and a binder about how they got through all their problems. Last year 1st graders won 1st place. They made a portable sink. This is why you should join Invention convention because it is an awesome competition to learn about making a difference in the world.

## Salina's Chess Team: Great job everyone!

## Poetry Month:-Ayaat Shiaab

April is Poetry Month! This is a month where famous poets have their poetry mentioned and honored. Poetry is, "Literary work in which special intensity is given to the expression of feelings and ideas by the use of distinctive style and rhythm; poems collectively or as a genre of literature," (Oxford Dictionary, 1). On May 27th, we will have a Poetry Slam. Poetry Slam is a competition 7th and 8th grade AVID Students take part in. You write a piece of poetry, present it, and are judged. This is a time where students have their voice heard. You can choose any appropriate topic, choose your group members, and present it to an audience. Remember to have fun with it and let your voice through!

## Honor Roll Assembly (Elementary):

Cake and juice provided by PTSA. Thank you PTSA!
