College JumpStart is a week-long program that gives students the opportunity to experience college life so they will make the right decisions that will keep or place them on the path to college.

### Requirements:

- 8th or 9th grade in the Fall of 2016
- 2.5 GPA minimum

Students will attend classes and participate in skill building activities. Students will stay in one of WSU's residence halls so that they can get the complete college experience!
