This school assembly is a high-energy educational program blending important educational messages with fun activities. The assembly includes a teacher vs student basketball competition, prizes, and an appearance from Hopper the Detroit Pistons mascot. Also, Aaron Smith, who is a dynamic speaker will mix in stories that teach important lessons including “homework before play,” “anti-bullying” and “healthy living.”**
- 3) **Dentists-R-Us are coming to Smith Middle School on December 3rd for those students who would like to have their teeth cleaned. Students who would like to participate must return the completed blue form to the main office by Friday, November 22nd. Applications were given to students in A2 but additional forms are available in the main office.**
- 4) **Do you know someone interested in working for Dearborn Public Schools? Have them come to the Job Fair in the Smith Cafeteria, November 26th from 3-5pm to learn about available positions, and the application process.**
- 5) **7th Grade Vision Screening will take place on December 6th & 9th.**

- 7) Smith will again host a Secondary Options Assembly on November 22 at 8:30am in the Auditorium for 8th grade students. Families are invited to attend this informative session which will have district representatives from the various secondary programs (DCMST, Early College Health & Manufacturing, dual enrollment, Henry Ford Collegiate Academy, Advanced Placement Coursework, etc.) on hand to present options available for 8th graders as they prepare for their high school transition.

Feel free to contact Dr. Elder for questions about the 9th grade options for your child at 313-827-2812 or email at eldern@dearbornschools.org.

- 8) Per the Superintendent of Dearborn Public Schools, students may remain outside for the 7:50 bell unless the wind chill dips below 20 degrees. Doors will open at 7:40am for those students who choose to eat breakfast and go directly to the cafeteria. ***Students who do not eat breakfast will remain outside until the 7:50 bell unless the wind chill dips below 20 degrees.*** Students must remain in the atrium when admitted to the building before the 7:50 bell due to extreme weather conditions.
