

Join Dearborn Public Schools to learn about

# High school options

**Live online March 10 at 6:30 p.m.**

From vocational programs to college credits, Dearborn Public Schools offers a number of ways for our high school students to tailor their education to suit their needs. This session for middle and high school parents and students provides an overview of some of our programs.

**Advanced Placement**

**Dual Enrollment**

**Career Technical Education & Michael Berry Career Center**

**Dearborn Center for Math, Science and Technology**

**Henry Ford Early College Health Science**

**Henry Ford Early College Advanced Manufacturing**

**Henry Ford Early College Pre-Education**

**Henry Ford Collegiate Academy**
