The Cub Scouting Program

The Cub Scouting Program is a year-round program that boys can join at any time. It's flexible enough to work with other programs that boys may also be involved in.

Tiger Cubs (1st Grade)

Oriented to boys and parents. "Go see it" field trips. Work on big ideas to search, discover, and share.

Objectives: Prepare the family for Cub Scouting. Boys and parents work one-on-one with other families.

Cub Scouting (2nd & 3rd Grades)

Family-centered program. Boys meet regularly in small groups to work on projects. Learning is achieved through an advancement program. Uniforms, badges, games, sports, and fun!

Webelos Scouting (4th & 5th Grades)

Begin outdoor experiences. Boys meet regularly with adult leaders. Learning is achieved through a hobby and life skills program called Activity Badges.

Volunteerism at Its Best

The Great Lakes Field Service Council, Boy Scouts of America is run thanks to the generosity of thousands of volunteers. Getting involved as a volunteer makes a great impact not only on the quality time you have to share with your child, but enables you to teach by example. Scouting is designed to help even the busiest person get involved. If you have one hour a month or one hour a week, the Scouts have something for you. Don't be shy - volunteer today for your children's sake.

What Does a Cub Scout Do?

Your son can learn to tie knots, set up a tent, or shoot a bow and arrow (archery). Has he ever cooked a meal on a campfire? Sent a secret code to a buddy? Built a birdhouse? Played Ultimate? Hiked? Cub Scouting is fun! No matter what his grade (1st—5th), Scouting is a blast. If your son likes to learn by doing, then this is just the place for him!

Join Cub Scouting before October 2, 2015 and your son may be eligible to be part of this exciting event! If the Pack that you are joining is a registered "Hooked on Scouting" Pack, your new Scout will receive:

- A brand new fishing rod and reel
- An opportunity to join other new Scouts at a fishing event planned just for them.
- An opportunity to meet Professional Bass Angler Kevin VanDam, honorary Hooked on Scouting event Chairman and 7 time B.A.S.S Angler of the year.

Ask the Unit leader in charge of your local Pack for more information or visit the website:
