## Henry Ford College Camp Henry Environmental Science Camp Full Scholarship Application

July 8th-9th, 2019 (Tuesday-Wednesday), 9:00 am-3:00 pm

Location: HFC's Main Campus, 5101 Evergreen Road, Dearborn

**Camp Eligibility**: entering 7<sup>th</sup>, and 8<sup>th</sup> and 9<sup>th</sup> grade in Fall 2019 and attending school within the Dearborn Public Schools district.

Instructors: Mary Parekunnel, Ph.D., Environmental Science Coordinator, HFC Zac Polzin, B.S., Biology Lab Associate, HFC

## **Camp Description**

Campers will experience two days of adventures into the science involved in the natural world around us. Students will get an opportunity to explore rain and roof gardens, survey a forest, identify aquatic organisms, and discuss issues of environmental concern. There will be a special focus on environmental sustainability and how students can impact the future of our world, using the principles presented during the camp. Campers should leave camp with a greater appreciation and understanding of the natural world around them.
