

Statement of Purpose

PBIS is a program designed to teach respect, responsibility, and safety at school. We at Stout Middle School hope to encourage students to continuously make good behavior choices by implementing this program. PBIS provides teachers and other school staff with information to help prevent behavior problems and make school a safe learning environment. Research shows that the use of PBIS in schools has resulted in increased time for instruction. In addition, it increases appositve behaviors school wide, therefore decreasing disruptive behaviors.
