Think Hard and Ask an Astronaut

We will have an opportunity to make contact with an astronaut on the International Space Station on the week of October 26th at the MBCC!!! The event will be streamed throughout the district for all students to watch. During this contact, 18 to 20 students have a chance to ask a question of the astronaut.

This is open to all students at all grade levels, so submit a question to become part of this once in a lifetime event! The information to be used is included in the attached flyer. Questions are due by Friday October 2nd. Mr. Liggett will collect questions in room F6 and send it to Mary Varady.

TAKE ON HATE

MICHIGAN MUSLIM COMMUNITY COUNCIL
Serving The Community Since 1988

An awesome opportunity to high school students to attend this FREE event and build their confidence and abilities to get involved positively! They will listen to, dialogue with other political figures, and learn what it takes to become involved!

If you teach History, Social, Political, or Civic Studies on any level, this would be a great project for your students to attend and share throughout the week.

Please take the opportunity to send to the teachers who would inform their students, or use it for a project.

Respectfully,
Lila Amen, District Community Liaison
