

Today is "A" Day

Welcome Back

Media Center Temporary Barcode Labels

As you all know, students do not receive their Stout ID cards until several weeks from now. However, Middle School policy across the District requires students to use their IDs to check out books from the media center. Obviously, we cannot wait until the end of October for students to begin checking out books, so Ms. Cassie Acker came up with a "temporary ID" students can use, by simply printing off barcode labels.

1st hour teachers will pass these labels to the students who must place their label on the front of their planner. This way, students will use their planners to check out until the new badges arrive. If you don't receive your temporary barcode label by the end of this week, please see Ms. Acker.

No School on Sep. 12, 2016

There will be no school on Monday, Sep. 12, 2016, so enjoy the long weekend! I am sure your parents will be asking, "Already?"
