

Be Careful with Medicines

Sometimes people who are sick must take medicine. Doctors give people medicine to help them get better.

Anyone who takes medicine must follow safety rules.

- Take medicine only from a doctor or a grown-up you know and trust.
- Give any medicine or pills that you find to a grown-up.
- Make sure medicines are put away safely after they are used.

Following these rules will help you stay healthy and safe.

Name: _____ Date: _____
