From 8:00 am to 3:00 pm students will wear a tag indicating that they are not using this arm as part of their biotechnology unit. Last week students worked with Mrs. Fulton on learning about ways in which people can live normal lives despite having physical and/or mental disabilities. They also discussed how the **Americans with disabilities act** makes sure that everyone has access to public buildings.

Students will see Mrs. Fulton between 7:50-8:00 to pick up their tag and a half sheet for each teacher to initial. Teachers will indicate if they observe the student using their missing arm. Students will pick up their items in between classes and no passes will be given. 6th hour teachers will allow these students to leave from their room no earlier than 2:53 to drop off their tag and 1/2 sheet to Mrs. Fulton.

Peer Mentors: How to avoid weekly logs?

Are you a peer mentor and tired of writing those weekly logs? If the answer is yes, then here is your way out: If you purchase anything at the School Store and just bring the receipt to either Mrs. Wheble or Ms. Crechiolo – depending on the hours you peer mentor – you do not need to write a log for that week!

Remember: **NO RECEIPT NO TREAT!**
