### Battle against Hunger starts this week!

From November 18<sup>th</sup> to November 22<sup>nd</sup>, students from all three high schools in Dearborn will be participating in The 5<sup>th</sup> Annual Battle against Hunger. Each year, students from the high schools and their feeder middle schools and elementary schools collect non-perishable food items such as canned and boxed goods to help support local families in need. The goods are distributed through Zaman International and the Amity Foundation, two local non-profit organizations in Dearborn. You can bring in as many items as you wish through Friday. Let's support our feeder high schools in their efforts to help local families in need!
