PLAYWORKS!

This year we brought a “program of play” to our school through the *Playworks TeamUp* program!

We are proud to partner with Playworks to make recess a fun, inclusive time for every student in our community. Playworks is the leading national nonprofit using play to transform schools. A Playworks recess creates a place for every kid on the playground to feel included, be active, and build valuable social and emotional skills. You can learn more at www.playworks.org.

Our Junior Coaches, **Emanuel, Garyn, Mahdi, Bethany and Mariah** pose for a picture with Coach Toya.

GET EXCITED!

A Playworks site coordinator, Coach Toya, worked with us to create a safe, inclusive, and fun recess for all students at our school. The coordinator will continue to spend one week out of every month at our school to train, build, and sustain a high functioning recess.
