Directions for summer reading-

Read any 3 books from the included list.

Choose your favorite book to prepare a book talk and a bookmark (bookmark examples and direction on the back).

Book talks will be presented the first week of school and should include the following:

	Areas of Focus	Points
	Book Summary	3 points
	Favorite Passage	2 points
	Recommendation	3 points
	Visual (Bookmark)	5 points
	Presentation	2 points
	Total Points SUMMATIVE	15 points

All students will create a bookmark based off of their favorite book from the summer reading (book had to be started June 15th, or later).

This is worth 5 of the summative points and will be graded on the following rubric:

Title of Book 1 pt. (on the front)

Author 1 pt. (on the front)

Genre 1 pt. (on the front)

2 completed sentence starters 1 pt. (on the back)

Neatness, creativity and full color 1 p. (on the back)

TOTAL 5 points

This will be presented along with the book talk and counts as the visual portion of your book talk.

Book marks must be sized, 2x8-2x10 inches and would be best done on card stock or other light colored, non-lined paper. Pictures should be hand drawn and fill the page. See examples for ideas.
