

Schoology: Parent Guide

- 1 Go to [schoology.com](https://www.schoology.com) on your laptop or tablet.

- 2 In the upper right-hand corner of the window click on “Sign Up”
Then select “Parent” from the drop-down menu.

- 3 Enter your scholar’s “parent access code”.

- 4 Fill out your name, your email, and a password and click “register” to create your parent account.

- *5 If you have more than one Scholar, you can link their account to your parent account as well.
Click on your name in the upper right-hand corner and select “Add Child” from the drop-down menu. You’ll be prompted to add their parent access code to link the accounts.
